I am sending a couple of posters that you can place online. Also you can place the text:

For the past 10 years Algoos Study, Work and Travel has been specializing in the field of student's internships, work and travel programs, full time jobs, Erasmus practice, studies abroad, learn languages abroad, au pair programs, adventure travelling, volunteering programs and summer camps. You may find internships in every field of studies.

Algoos Study, Work and Travel offers hundreds of programs worldwide in UK, Italy, New Zealand, China, America. The most favorite programme of our students is paid internship in Greece and Cyprus. While having practice in the 5\* stars hotel students can gain life experience, earn money and make lifelong memories.

**If you are brave and looking for the adventures, apply now!**
